

AMPHORAE
2008 Cabernet Sauvignon

Retail: \$25.00 / Bottle

Vineyard Source:

Pheasant Hill Vineyard, Rogue Valley, Oregon

Amphorae were used for thousands of years to store and transport wine. Studying and tracking these clay vessels has allowed us to gain knowledge about early winemaking cultures. Over time Cabernet Sauvignon has become a staple in most wine regions. With this wine we hope to transport the drinker to the Rogue region to enjoy a new experience of this varietal. Enjoy the journey.

Aromas of berry, chocolate and earth accompany flavors of plum, blackberry, spice, toast and a thick body with soft tannins.

Finished Wine Analysis:

Appellation: Rogue Valley

Production: 170 cases

Alcohol: 14.2%
